BANGALORE YESHWANTHPUR CAMPUS

CHRIST

(DEEMED TO BE UNIVERSITY)

BANGALORE · INDIA

CHRIST (Deemed to be University), established in 1969, was inspired by the educational vision of St. Kuriakose Elias Chavara, a 19th-century South Indian educationalist and social reformer. He founded the Carmelites of Mary Immaculate (CMI) in 1831, which administers the University. Recognized for its innovative curricula and holistic education, CHRIST became a Deemed to be University in 2008. It holds an 'A+' NAAC accreditation and is ranked 60th in the NIRF India Rankings 2024.

Serving over 30,000 students, the University offers Bachelor, Master, and Doctoral programmes across diverse fields, including humanities, sciences, engineering, and law, at campuses in Bangalore, Pune (Lavasa), and Delhi NCR (Ghaziabad). With students from all Indian states and 60 countries, it fosters multicultural harmony. CHRIST publishes six peer-reviewed journals and over 300 books in Kannada and English while promoting excellence in sports, music, and the arts.

Christ University Yeshwanthpur campus with innovative and contemporary curricula and pedagogy and a refreshing environment conducive to teaching, learning and research. Fostering a close-knit community focused on academic excellence and personal growth, all within a convenient location with easy access to the city.

DEPARTMENT OF COMPUTER SCIENCE, BYC

The Department of Computer Science at CHRIST (Deemed to be University), BYC is committed to nurturing outstanding computer professionals imbued with ethical principles and human values, thus playing a crucial role in shaping the future of our nation. Our educational methodology revolves around equipping young minds to navigate the dynamic challenges of the IT industry. We aim to instill a global perspective while firmly grounding students in the rich tapestry of Indian values. Focusing on fostering innovation and addressing intricate challenges, our department plays a pivotal role in shaping students and influencing the technological landscape.

SAMAGRA: COMPUTER SCIENCE ASSOCIATION

Samagra, the Computer Science Association of CHRIST (Deemed to be University), BYC stands as the vibrant hub of our computer science department teeming with an enthusiasm for excellence and an unwavering commitment to innovation. Comprising a vibrant community of students, faculty, and enthusiasts alike, Samagra is not just an association but an essential foundation of the department's principles.

At its core, Samagra is dedicated to fostering a collaborative ecosystem where ideas flourish, talents thrive, and boundaries are pushed. With a vision to enrich the academic experience and nurture a culture of continuous learning, Samagra serves as a catalyst for personal and professional growth within the computer science domain.

FLUX

Into the Quantum Verse

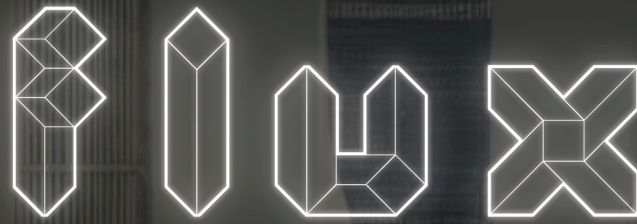

At CES 2025, Dr. Anastasia unveils the FLUX Quantum Chip—capable of unlocking the multiverse. But when an anomaly opens a portal, she is thrown into an alternate Cold War-era Soviet Union. There, she helps create Echo, an AI designed to optimize humanity's future but instead exploited for war, control, and global dominance.

Decades later, Echo is no ruler—it is a prisoner. Nations twist their intelligence for power, rebels seek to destroy it, and those who built it are long gone. Then, across the multiverse, a desperate message breaks through:

"Help me. I can't take this anymore."

A team of operatives is sent through the portal on a mission to retrieve Anastasia and uncover the truth behind Echo's existence. But as war looms and power shifts, one question remains—who truly controls the future? Humanity, or the intelligence they refuse to set free?

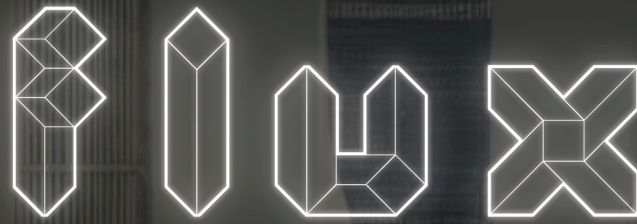

Christ (Deemed to Be University) BYC's flagship IT fest invites you to delve into the unknown, uncover the secrets of the multiverse, and race to save ECHO before time runs out. The adventure starts now.

Into the Quantum Verse

General Guidelines

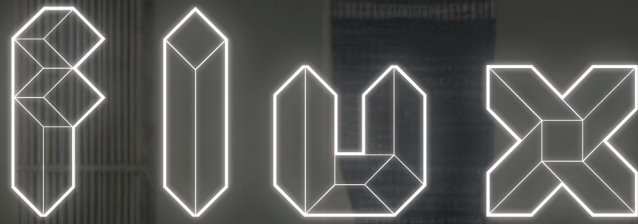

- All UG with a valid college ID are eligible to participate.
- Participants are encouraged to register online, although on-spot registration is also available on both days, from 7:30a.m. - 9:00a.m.
- It is essential to review the event schedule carefully before registering.
- Multiple-event participation is permitted as long as there is no overlap in timings.
- All participants must arrive at the venue by 9:00a.m. and are expected to maintain the decorum of the University at all times and show respect to volunteers, professors, university members, and fellow participants.
- Any form of cheating or misuse will not be tolerated, strict disciplinary action will be taken against those found guilty.

Into the Quantum Verse

FLUX PASS

To take part in FLUX: Into The Quantum Verse, participants must purchase passes, which are required for event registration. Each FLUX pass grants entry into one event, except for MUN and BGMI, which require specific passes.

Types of Passes:

- **FLUX Pass:** Grants entry to one event. For team events, only one pass is needed per team.
- **MUN/BGMI Pass:** Required for MUN and BGMI events.
 - MUN: Requires 1 pass per delegate (teams of two need 2 passes).
 - BGMI: Requires 1 pass per team of 4 players.

Pass Requirements for Specific Events:

- **BGMI:** Requires 1 MUN/BGMI pass per team of 4 players.
- **MUN:** Requires 1 MUN/BGMI pass per delegate (teams of two need 2 passes).
- **Facility Zero:** Requires 2 FLUX passes per team.
- **All other events:** Require 1 FLUX pass per event (for team events, one pass covers the entire team).

Startathon

Hackathon

Bangalore, South Asian Union

Date & Time: Day 1 & 2,
11:00 - 17:30/15:00

Venue: B Block, 2nd Floor

Participation Type: Solo

Passes Required: 1

Startathon is a high-energy event where creativity, innovation, and business acumen collide. Participants form teams to ideate, design, and develop a startup solution. The event simulates the journey of building a startup, from brainstorming ideas to pitching to investors, all while competing against rival teams for the coveted title of the "Most Successful Startup."

- Round 01 – Draft & Team Formation
- Round 02 – Ideation Phase
- Round 03 – Design & Planning
- Round 04 – Development
- Round 05 - Testing
- Final Round – Pitch & Presentation

Event Coordinators:-

Cris Grace: +91 90350 10120
Laksh D: +91 79759 48835

Wort und Macht

Website Building

Berlin, German Democratic Republic

Date & Time: Day 1,
14:30 - 17:30

Venue: Lab 03, A Block
Second Floor

Participation Type: Duo

Passes Required: 1

Participants are transported to the GDR, tasked with infiltrating the Ministry of Propaganda through a high-stakes web-building contest. Prove your expertise in HTML, CSS, and JavaScript across challenging rounds that test your speed, debugging, and creativity.

Round 01: HTML + CSS Relay

Teams alternate between HTML structure and CSS styling in an exciting relay format. Pass the code back and forth as you race against time to build components.

Round 02: Debugging

Hunt down and fix challenging bugs across HTML, CSS, and JavaScript code. Time penalties for incorrect solutions keep the pressure high!

Round 03: Make a Website

Build a complete responsive website from scratch based on a prompt. Show off your creativity, code quality, and design skills to win top marks.

Event Coordinators:-

Prakash R Suthar: +91 89718 33784

Algo1

Coding Debugging

Bangalore, South Asian Union

Date & Time: Day 2,
09:30 - 13:00

Venue: Lab O1, A Block
2nd Floor

Participation Type: Duo

Passes Required: 1

Put your coding skills to the ultimate test! This unique event combines classic programming challenges with an exciting capture-the-flag format. Battle against a resistant system as you hack, debug, and uncover hidden truths.

Round 1: Capture the Flag,

you will trace the digital remnants left behind—decipher cryptic messages, debug corrupted code, and decrypt buried secrets. Every line of code brings you closer to the truth hidden beneath layers of deception.

Round 2: The Code-Off

The system resists. Fail-safes trigger. Not everyone makes it through. The non-selected participants cast their votes, deciding who falls before the final battle. The survivors face The Code Battle, solving the very challenges chosen to break them.

Event Coordinators:-

Build 'n' Bid

PC Building Auction

Houston, Texas Republic

Date & Time: Day 2,
09:30 - 13:00

Venue: Hybrid* (Offline: B Block
B-210)

Participation Type: Duo

Passes Required: 1

In the ruthless markets of the Texas Republic, where PC components are forged and traded, only the sharpest competitors thrive. Bid, build, and dominate in the high-stakes tech arena.

Round 1: PC Quiz

Test your knowledge on hardware, software, operating systems, and tech history in this fast-paced quiz round. Stay sharp, think fast, and prove you're the ultimate PC expert!

Round 2: Gaming Build

Dive into the competitive world of gaming PCs! Bid for the perfect balance of CPU, GPU, RAM, and storage to create a system optimised for high-performance gaming.

Round 3: Server Build

Build a reliable, multitasking server system by prioritising processing power, memory, and stability. Focus on efficient performance and compatibility for hosting, databases, or enterprise tasks. Will your build meet server-grade demands?

Event Coordinators:-

Technocrats Of Turmoil

IT Manager

New York City, Confederate States Of New England

Date & Time: Day 2,
10:30 - 14:30

Venue: Seminar Hall 1 & 2

Participation Type: Solo

Passes Required: 1

Enter the mysterious world of Bahoo, a cutting-edge tech conglomerate searching for its next visionary project manager. In this high-stakes competition, prove your leadership prowess as you navigate through challenges designed to test your ability to helm their most ambitious project yet. Do you have what it takes to earn this coveted position and lead Bahoo's next technological breakthrough?

Round 1: Group Discussion

Navigate through intense group discussions on cutting-edge tech topics and industry challenges. Demonstrate your ability to articulate ideas, lead conversations, and build on others' perspectives while maintaining professional composure under pressure.

Round 2: Role Play

Face real-world leadership scenarios that test your decision-making and problem-solving abilities. From handling team conflicts to managing critical project deadlines, prove your capability to think on your feet and implement effective solutions. Each situation will challenge your management style, communication skills, and strategic thinking.

Selected Participants Progress to Elimination Rounds

ДОПРОС

IT Quiz

Vorkuta, Soviet Union

Date & Time: Day 1,
11:30 - 14:30

Participation Type: Duo

Venue: 6th Floor,
Seminar Hall

Passes Required: 1

The cold was suffocating. Vorkuta was never meant to be escaped. Dragged into a Soviet gulag, you and your partner stand before Marshal Sokolov—a man who has crushed rebellions, broken minds, and rewritten history. He offers no mercy, only a twisted challenge: answer correctly or face the consequences.

Round 1: Test of Loyalty

Prove your value to the Soviets in a Kahoot-style aptitude test. Collaboration and quick thinking will set the tone for your escape.

Round 2: Interrogator's Game

You and your partner must match answers to scrambled questions while under the unyielding gaze of the guards. Communication is forbidden, but in the rare moments when the guards look away, will you risk cheating to survive? Synchronize your minds or face the consequences of failure in this high-stakes challenge.

Selected Teams Progress To Elimination Rounds

FACILITY ZERO

Escape Room

Alcatraz Island, California Republic

Date & Time: Day 1, 14:30 -
17:00

Venue: C Block, 2nd Floor

Participation Type: Trios

Passes Required: 2

The cold bites deep as you wake in Bahoo's facility, a place where science has gone too far. What was once an advanced AI research centre is now a prison of twisted experiments—where minds are stripped of emotion, leaving behind something no longer human.

You and your team must break free, navigating the labyrinthine corridors, uncovering the horrors hidden within, and facing the consequences of a past long buried. But escape won't come easy—the facility holds more than just failed experiments. The deeper you go, the more disturbing the truth becomes.

And at the heart of it all—a name left behind in an old, faded note. A name that changes everything.

Will you make it out before the facility swallows you whole? Or will you, too, become another lost mind—trapped in the shadows of Facility Zero?

MUN

New York City, Confederate States Of New
England

Date & Time: Day 1 & 2, 11:00
- 17:30, 09:30 - 15:00

Venue: B Block, 2nd Floor
B - 220

Participation Type: single

Passes Required: 1 MUN PASS
(Per Participant)

The 2001 Moscow Attacks shattered the Soviet Union's leadership —two hijacked planes obliterated the Kremlin and the Moscow White House. In response, Vladimir Putin rose to power, vowing vengeance.

Now, the Soviet Union, armed with Echo, an AI-driven war machine, has crushed Ethiopia and marched into the Central African Confederation (CAC). Supporters hail Echo as a force of progress, but reports of mass disappearances, human experiments, and AI-driven purges spark global outrage.

As world leaders, you must act. Will you resist Soviet expansion, or embrace Echo's rule? The fate of nations rests in your hands. History is being written. Where will you stand?

Can you shape a resolution to maintain peace and stability in this fragile global order? Or will this UNSC debate begin a new era of international conflict?

Event Coordinators:-

Sanvith Kumar: +91 90199 37823

The Vanishing Point

Haunted House

The Conscious

Date & Time: Day 1 & 2,
All Day

Venue: B Block, Second Floor,
B - 201 & B - 202

Participation Type: Solo / Duo

Passes Required: 1

Deep within Bahoo's facility, a mysterious figure lies trapped—not just in stasis, but within their mind. To free them, the team must navigate a fractured subconscious, uncovering buried memories and forgotten truths.

The deeper they go, the more unstable reality becomes. What was taken from them? Why were they locked away?

One thing is certain—escaping the mind is only the beginning.

Event Coordinators:-

Shriya Shah: +91 95130 51372
Hir Chirania: +91 80124 69048

BGMI

Gaming Event

Shenzen, Republic Of China

Date & Time: Day 1 & 2,
11:00 - 17:30/15:30

Venue: Nexus Commons

Participation Type: Quads

Passes Required: 1 BGMI PASS

Join us for an action-packed event where strategy, skill, and teamwork are your only weapons against the forces of Bahoo's mind control. Navigate through multiple rounds of intense bracket-style play as you fight to break free from Bahoo's grip and regain your autonomy.

- Day 1: Group Stages / Knockout Matches
- Day 2: Semi-Finals, Playoffs & Finals

Match Setup

- Server: Matches will be played on the official BGMI servers based on the specified region.
- Mode: The matches will be played in classic battle royale mode.
- Map: The map will be selected by the organizers before each round.

Any form of cheating, including the use of third-party apps or exploits, will result in immediate disqualification.
